

# FRIENDS OF KILLBEAR

July 2023

## Twin Points Trail and Viewing Platform Update

To date The Friends of Killbear have set aside more than \$80,000 for this major project, and we are currently in the process of securing quotes.

Your contribution in any amount will help build a barrier-free viewing platform and make other accessibility upgrades to Twin Points Trail.

For more information, or to donate, stop by the Nature Shoppe or go to [www.friendsofkillbear.com/our-new-project](http://www.friendsofkillbear.com/our-new-project)

*"By providing all visitors with equal access to this unique part of Georgian Bay, we are enriching their memories for generations to come.... What a beautiful gift."*

Kevin Barks, President of the Friends of Killbear

## New Tractor for the Park

Last fall the Friends of Killbear purchased a new tractor for the park. The funds came from your empty beer bottles and cans, liquor and wine bottles and containers. The new tractor is used for snow management in the winter, and trail maintenance in the summer.

We are proud to have made this contribution, with your help!

## Join the Friends of Killbear and Get Involved!

We are a volunteer-run, not-for profit organization.
